- Partnership-driven with community and health
- Evidence-informed practice
- Who am I

Services at a Glance

- Family support and housing pathways
- Financial guidance and benefits support
- Wellbeing and mental health signposting
- Skills development and employment links

Impact of Morris Mission Intervention

CLARITY

**STREAMLINED
PROCESS**

**CONFIDENCE
&
HOPE**

Partners and Ecosystem

- **Current collaborators and referral pathways**
 - Volunteer sector
 - Lakeside, Northumberland GPS surgery
 - Workshops at Bexley Libraries
 - Housing associations like Peabody/Orbit
- **Where leaders and clinicians plug in**
 - All GPs, religious leaders, schools
 - All NHS/public health/Oxleas to work with us
 - Universities/sixth forms and colleges

Value to Community Leaders

- Reduced pressure on local services
- Coordinated support across agencies
- Measurable outcomes and reporting cadence

Value to Health Partners (NHS, Oxleas)

- Stability supports adherence and continuity of care
- Fewer crises and preventable escalations
- Better patient-reported outcomes
